Setting objectives — objectives may be set for the entire organization and each department or ~~unit~~ within the organization.

OBJECTIVES OF MANAGEMENT

The main objectives of management are:-
1. Getting maximum Results with minimum efforts.
2. Increasing the efficiency of factors of production
3. Maximum prosperity for employer and employees.
4. Human betterment and social justice.

GETTING MAXIMUM RESULTS WITH MINIMUM EFFORT:-

The main objectives of mgts is to secure maximum outputs with minimum effors and resources. Management is basically concerned with thinking and utilizing human, material and financial resources ~~in such a~~ manner that would result ~~in~~ best condition. it result in reduction of various cost.

INCREASING THE EFFICIENCY OF FACTORS OF PRODUCTION:-

Through proper utilization of various factors of production, their efficiency can be increased to a great extent which can be obtained by reducing spoilage, wastages, and breakage of all kinds. this in turn leads to saving of time, effort and money.

MAXIMUN PROSPERITY FOR EMPLOYER & EMPLOYEES.

Management ensures smooth and coordinated functioning of the enterprise, this in turn helps in providing maximum benefits to the employee in shape of good working.

HUMAN BETTERMENT & SOCIAL JUSTICE:-

Management serves as a tools for the upliftment as well as betterment of the society.

2, Developing premises — planning is concerned with the future which is uncertain and every planner is using conjecture about what might happen in future

3, Identifying alternative courses of actions Once objectives are set, assumptions are made then the next step would be to act upon them.

4, Evaluating alternative courses the next step is to weigh the pros and cons of each alternative

5, Selecting an alternative — this is the real point of decision making - the best plan has to be adopted and implemented.

6, Implement the plan this is concern with putting the plan into action.

7, follow-up action. monitoring the plans is equally important to ensure that objectives are achieved.

FUNCTIONS OF MANAGEMENT

INTRODUCTION

The task of management involves the use of resources to achieve set goals, managers help accomplish this by performing a number of managerial functions.

1 PLANNING FUNCTION.

Planning involves defining a goal and determining the most effective course of action needed to reach that goal. Typically, planning involves flexibility, as the planner must coordinate with all levels of management and leadership in the organization.

Types of planning are as follows.

- Strategic planning
- Tactical planning
- Operational planning.

ORGANIZING FUNCTION OF MANAGEMENT

Organizing involves designing tasks and responsibilities to employees with the specific skills sets needed to complete the tasks. Organizing also involves developing the organizational structure and chain of command within the company.

Organizing process

a. Division of work
b. Departmentation
c. Linking department
d. Assigning duties.
e. Defining hierarchal structure.

ORGANIZING

Defination of organizing → organizing is a function by which the concern is able to define the role positions, the jobs related and the co-ordination between authority and responsibility. Hense, a manager always has to organize in order to get results.

✓

⇒ STAFFING FUNCTION OF MANAGEMENT

The staffing function of management controls all recruitment and personnel needs of the organization. the main purpose of staffing is to hire the right people for the right jobs to achieve the objectives of the organization, staffing involves more than just recruitment, staffing encompasses training and development, performance appraisals, promotions and transfers.

⇒ COORDINATING FUNCTION OF MANAGEMENT

The coordinating function of leadership controls all the organizing, planning and staffing activities of the company/organization and ensures all activitie function together for the good of organization.

⇒ DIRECTING FUNCTION OF MANAGEMENT

supervision, motivation, leadership, and communication are all involved in directing function, management need to be able to oversee all influence the behaviour of the staff and achieve the companys goals, whether that means assisting or motivating them.
